

A Unique Sanctuary - First Time Offered

Set well back from the street this iconic 2 storey estate residence offers superb quality craftsmanship throughout and many special extras ...

The original limestone abode built in 1860 with Edwardian features were complemented by one of Fremantle's earliest extensions in 1903.

The current extensive restoration and extensions has produced a striking and substantial home to suit the most discerning purchaser.

A stunning brick barrel ceiling to the kitchen/dining living area flows seamlessly out to the entertainment terrace complete with a wood fired oven.

There are five bedrooms PLUS a studio/office with potential to split into two independent living environments.

Positioned on 641sqms of land with both front and rear access the grounds of verdant gardens are secure from the street.

Indulge yourself in this relaxed lifestyle on the very doorstep of the city!
